Introduction

Welcome to SAP® Learning Hub, a cloud-based solution that provides **instant access to a vast array of learning resources** from the SAP Education organization. All materials are available online, so there is no need to schedule courses or travel to training sessions.

SAP Learning Hub can be purchased for a single user or thousands of users. It's the perfect way to build and maintain skills for working with SAP solutions, and you can get fast and easy access to all our latest learning materials as and when you need them.

This guide shows you how to get started using SAP Learning Hub.

New Users

You are a new user if you have no profiles set up on any sap.com sites and this is your first enrollment with the SAP Education organization. Please take the following steps to set up your profile.

1. Go to <https://training.sap.com> and click on the  icon to reveal *Register and Login* link at the top right-hand corner of the screen. Then select *Register* (see Figure 1).

Figure 1: SAP Learning Hub – Register/Login

2. Fill out the user registration form and confirm that you have read the privacy policy by selecting the check box. Then click on *Submit Details* (see Figure 2).

SAP User Registration

By creating an SAP User you will have access to premium content across most SAP websites. You will also be able to check your booking status on the Training and Certification Shop as well as consume any purchased e-learning content.

Figure 12: Training and Certification Shop – Booking Confirmation

13. For paid editions of SAP Learning Hub, you will receive a confirmation e-mail. When you have received this e-mail, please refer to the section titled “User with an [sap.com](#) Account and a Booking for SAP Learning Hub” to complete your profile setup.

Please note: The enrollment confirmation e-mail can take up to 48 hours to arrive. If you haven't received your confirmation e-mail from SAP Education after 48 hours, please contact your regional team from SAP Education or e-mail e-learning@sap.com for support.

Existing User with a Booking for SAP Learning Hub

If your company has purchased a subscription for SAP Learning Hub for you, you may have been given an access code. Please follow the link below for information on how to redeem your access code:

<https://training.sap.com/shop/help-center/learning-hub/article /how-do-i-redeem-my-access-code-for-sap-learning-hub->

If you have a booking for SAP Learning Hub and you have already received a confirmation e-mail, your S-user ID should have already been created. This is a unique identification code that gives you access to SAP Learning Hub as well as other services from SAP. Please refer to the following two scenarios to start your courses, depending on whether you have an [sap.com](#) account.

USER WITH AN sap.com ACCOUNT AND A BOOKING FOR SAP LEARNING HUB

If you have an account on an sap.com site and have received a confirmation e-mail from SAP Education, please log in to the training site.

1. Go to <https://training.sap.com> and click on the  icon to reveal *Register and Login* link at the top right-hand corner of the screen. Then select *Login* (see Figure 13).

Figure 13: SAP Learning Hub – Register/Login

2. If you have not yet associated your S-user ID to your sap.com account, you will see a pop-up prompting you to do this (see Figure 14). Select your S-user ID and click *Trigger Assignment*.

Figure 14: Assign S-User

3. Check your e-mail for a message from SAP Education to verify your S-user ID assignment. Click on the *Verify Assignment* link within the e-mail (see Figure 15).

Please note: You must be logged in to the Training and Certification Shop when you click the *Verify Assignment* link. You must open the link in the same browser. Alternatively, you can copy and paste the link to a new tab.

The image shows an email from SAP. The header includes the SAP logo and the text "The Best-Run Businesses Run SAP". The body of the email starts with "Dear Danny Wong," followed by a confirmation message: "This email confirms that you have successfully assigned an S-User to your SAP Training & Certification Web Shop account. To complete the registration process, please visit the following url: [Verify Assignment](#)". Below this, there is a "Best regards, your SAP Education team" signature. A note at the bottom states: "Please note: If you did not initiate this transaction, please contact your local SAP Education office." At the bottom of the email, there is a footer with links: "Contact SAP | Copyright/Trademark | Privacy | Impressum". The footer also includes SAP's address: "SAP SE, Dietmar-Hopp-Allee 16, 69190 Walldorf, Germany". A legal notice follows: "Pflichtangaben/Mandatory Disclosure: Statements: <http://www.sap.com/company/legal/impressum.epx> Diese E-Mail kann Betriebs- oder Geschäftsgeheimnisse oder sonstige vertrauliche Informationen enthalten. Sollten Sie diese E-Mail intümlich erhalten haben, ist Ihnen eine Kenntnisnahme des Inhalts, eine Vervielfältigung oder Weitergabe der E-Mail ausdrücklich untersagt. Bitte benachrichtigen Sie uns und vermischen Sie die empfangene E-Mail. Vielen Dank." A disclaimer at the bottom states: "This e-mail may contain trade secrets or privileged, undisclosed, or otherwise confidential information. If you have received this e-mail in error, you are hereby notified that any review, copying, or distribution of it is strictly prohibited. Please inform us immediately and destroy the original transmittal. Thank you for your cooperation".

Figure 15: E-Mail to Verify Assignment

4. Once the assignment is verified, you will receive a success message on the screen (see Figure 16). Click *Done*.

Figure 16: Successful Assignment

5. Click on *My Account* and select *My Training*. This will take you to the training course area (see Figure 17).

Figure 17: SAP Learning Hub – Access to Training

6. Click on *Go to Learning Hub* (see Figure 18).

The screenshot shows the SAP Learning Hub search interface. At the top, a purple header bar reads "My Training". Below it is a white search bar with a placeholder "Search" and a "Clear All" link. To the right of the search bar is the text "SAP Learning Hub" and "HUB030 – SAP Learning Hub, Professional Edition, Public Cloud Version". Further to the right is a link "Go to SAP Learning Hub". Below the search bar is a dropdown menu labeled "Delivery Method" with an option "Classroom". At the bottom of the search bar is a date range "17 Feb 2016 - 16 Feb 2017".

Figure 18: Go to SAP Learning Hub

USER WITHOUT AN sap.com ACCOUNT AND WITH A BOOKING FOR SAP LEARNING HUB

1. If you already have a subscription for SAP Learning Hub, you should have received a confirmation e-mail. In the e-mail, click on the *Register to activate your S-user now* link (see Figure 19).

Figure 19: Booking Confirmation – Register to Activate Your S-User

2. Click on *Create SAP User Account*, as in Figure 20.

Figure 20: S-User Management – Create User Account

3. Fill out the user registration form and confirm that you have read the privacy policy by selecting the check box. Then click on *Submit Details* (see Figure 21).

SAP User Registration

By creating a SAP User you will have access to premium content across most SAP websites. You will also be able to check your booking status on the training shop as well as consume any purchased e-learning content.

SUPPORT

For more information about navigating SAP Learning Hub, please refer to the following user guide in the help center: <https://training.sap.com/shop/help-center>.

If you encounter any issues when accessing your course material, please feel free to contact our e-learning support team at e-learning@sap.com or a representative from your local SAP Education organization. Support services are available from the global e-learning support team 24 hours a day, Monday through Friday. Support services are provided in the English language only, and you will be asked to provide your S-user ID.

No part of this publication may be reproduced or transmitted in any form or for any purpose without the express permission of SAP SE or an SAP affiliate company.

SAP and other SAP products and services mentioned herein as well as their respective logos are trademarks or registered trademarks of SAP SE (or an SAP affiliate company) in Germany and other countries. Please see <http://www.sap.com/corporate-en/legal/copyright/index.epx#trademark> for additional trademark information and notices. Some software products marketed by SAP SE and its distributors contain proprietary software components of other software vendors.

National product specifications may vary.

These materials are provided by SAP SE or an SAP affiliate company for informational purposes only, without representation or warranty of any kind, and SAP SE or its affiliated companies shall not be liable for errors or omissions with respect to the materials. The only warranties for SAP SE or SAP affiliate company products and services are those that are set forth in the express warranty statements accompanying such products and services, if any. Nothing herein should be construed as constituting an additional warranty.

In particular, SAP SE or its affiliated companies have no obligation to pursue any course of business outlined in this document or any related presentation, or to develop or release any functionality mentioned therein. This document, or any related presentation, and SAP SE's or its affiliated companies' strategy and possible future developments, products, and/or platform directions and functionality are all subject to change and may be changed by SAP SE or its affiliated companies at any time for any reason without notice. The information in this document is not a commitment, promise, or legal obligation to deliver any material, code, or functionality. All forward-looking statements are subject to various risks and uncertainties that could cause actual results to differ materially from expectations. Readers are cautioned not to place undue reliance on these forward-looking statements, which speak only as of their dates, and they should not be relied upon in making purchasing decisions.
