Your iPad

ACTIVATE YOUR IPAD
1. On your iPad, tap the App Store icon.

2. Search for **SAP SuccessFactors** in the search field. Select the **SAP SuccessFactors** Mobile app, and download and install the app on your iPad.

3. For QR code activation, on your computer, log in to SAP Learning Hub. On the SAP Learning Hub home page, click on the down-arrow beside your name in the right corner. Then select **Options**.
4. From the Options screen, select Mobile on the left-side menu.

5. Go to your iPad and open the SAP SuccessFactors app. Select the option to Log In with QR Code. You may see a pop-up to allow the app to use your iPad camera. Please select ALLOW.
6. On your computer, select the **Activate via Camera** option.

7. You will then see the QR code. You have 30 seconds to use the code. Aim your iPad camera at the code.

8. Once the code has been accepted by the app, you will be required to accept the user license agreement.
9. Once you have accepted the agreement, you will be automatically sent to the main page of the app.
LEARNING WITH SAP LEARNING HUB ON YOUR IPAD
To start learning on your iPad, make sure you have assigned courses to yourself through SAP Learning Hub.

1. To access course content, click on *Learning* in the bottom menu. You can then search the course catalog, look at your currently assigned courses, or view your course history.

2. In *My Assignments*, click on a course title to view the course.
3. To start the course, click on *Launch Content*.

4. You can view the course online, and you can also download the course on to your iPad to view it offline. Click on the *Download* button in the upper-right corner to start the download.

5. Once you click on *Download*, the download status will appear.

Note: The download can take some time. You can monitor the download status by watching the download status bar.
6. Once the download is complete, click on the course title to start the course.

7. Enjoy your course.
