SAP Learning Hub from SAPstore.com

Step 1: Creating authorization Note:

To procure SAP Learning Hub from SAP store, you must be an authorized buyer first. To become an authorized buyer, follow below steps

Drop a mail to store.admin@sap.com with the below details. The team will provide you authorization

- First name and last name:
- Job title:
- Work email address:
- Work phone number:
- Company name:
- Company address (including city, postal code, and country)
- Company phone number:

Step 2: Registration

1) Login to SAP Store
2) Select the intended SAP Learning Hub from the page (professional or solution edition) and add to basket and place the order.
3) Apply coupon code, if applicable

Step 3: Payment

1) You will receive an invoice from the team based on which you should make the payment.

2) Access the bank account details

a) Beneficiary / Vendor Name: SAP
b) Account No: 6049001
c) Current A/C
d) Bank Name: CITIBANK
e) Bank IFSC / RTGS Code: CITI0000004
f) SWIFT CODE: CITIINBX

3) Once the payment is done, drop a mail to store.admin@sap.com and billerdirect.apj@sap.com with all the payment details. They will get back with the payment confirmation and the access will be released.
