

# SAP Learning Hub

How to purchase SAP Learning Hub via SAP Store

In this clickthrough demo we will demonstrate how easy it is to purchase various SAP products using SAPStore website. As an example we will show the steps to purchase SAP Learning Hub in this demo.

Please note that you can make this purchase either from SAP.COM or directly in SAPstore.

Links SAP Learning Hub purchase:

<https://www.sap.com/uk/training-certification/learning-hub.html>

<https://www.sapstore.com/solutions/40062/SAP-Learning-Hub>

In this demo we start from SAP store.

## HOW TO PURCHASE SAP LEARNING HUB VIA SAP STORE

You can choose the country from where you are purchasing. In this case we have chosen UK as the country for this demo.

(1) Select the scroll area to scroll down and check the various editions of SAP Learning Hub.

(2) Choose *EDITIONS*.

 Here you can find the various SAP Learning Hub editions and review individual edition details.

# HOW TO PURCHASE SAP LEARNING HUB VIA SAP STORE

The screenshot shows the 'Buyer Information' section with fields for Name, Email, Industry, Company / Organization Name, and Address. Below it is the 'Payment Information' section with 'Payment Method' options: 'Invoice not available' and 'Credit Card' (selected). Under 'Secure Payment', it lists supported cards (MasterCard, VISA, American Express) and a 'Card Number' field. A 'Contact Us' button is visible on the right.

 Here you need to enter the payment information. You can choose various payment methods like credit card or invoice. For further information on the payment method you can also choose "?" icon to learn more.

Please note that not all methods of payment are available in all countries.

This screenshot shows the 'Payment Information' section with additional fields: 'Expiration Date' (MM / YYYY), 'Security Code', and 'Cardholder Name'. A 'Submit' button is highlighted with a green box and a callout bubble containing the number '12'. A 'Contact Us' button is also present on the right.

(12) To continue to confirm the order, choose *Continue*.
