Disclaimer:

The data provided in these reports is accurate according to the SAP systems at the time a certification was completed. If a consultant has since changed employer this may not be reflected in our systems. The regions are based on where each consultant purchased their certification. If they are operating in a different region then this will not necessarily be reflected in the reporting data. Consultants have to contact their local Training & Adoption center or partner@sap.com to transfer the certificates in case they have changed the employer. Certification credentials can be managed in the Credly (www.credly.com) platform. Changes will only be reflected in these reports once a consultant has updated their details accordingly.
