## SAMPLE QUESTIONS: C\_EP\_74

SAP Certified Technology Associate - SAP NetWeaver Portal 7.31

Disclaimer: These sample questions are for self-evaluation purposes only and do not appear on the actual certification exams. Answering the sample questions correctly is no guarantee that you will pass the certification exam. The certification exam covers a much broader spectrum of topics, so do make sure you have familiarized yourself with all topics listed in the exam competency areas before taking the certification exam.
