SAMPLE QUESTIONS: C_HANATEC_10

SAP Certified Technology Associate - SAP HANA (Edition 2015)

Disclaimer: These sample questions are for self-evaluation purposes only and do not appear on the actual certification exams. Answering the sample questions correctly is no guarantee that you will pass the certification exam. The certification exam covers a much broader spectrum of topics, so do make sure you have familiarized yourself with all topics listed in the exam competency areas before taking the certification exam.

Questions

1. Where in the SAP HANA studio can you change the path of the backup folder?

Note: There are 2 correct answers to this question.

a)	<input type="radio"/>	global.ini
