

Learning Rooms

List of available and upcoming learning rooms as of August 2014

Learning Rooms

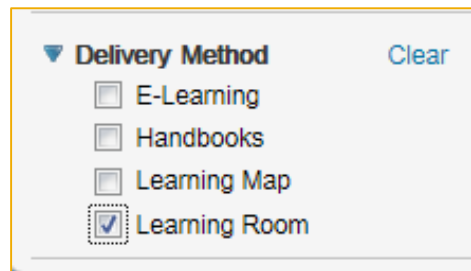

Learning Rooms are expert-moderated social learning components within SAP Learning Hub. They cover specific topics and are structured to complement a certification path you might like to follow. You can join other learners with similar learning objectives who wish to learn the same information. Learning Rooms are open ended so you can join at any time and are available to all paid subscribers to SAP Learning Hub.

Ariba Rooms – starting August and September*

SAP Solution	Learning Room Title	Description
Ariba	Ariba Cloud Overview	New to "the cloud?" Have you heard of Ariba but would like to know more? If you are like many users of enterprise software, you may have heard about "the cloud" for years, often by different names. There was "hosting" and "on-demand" and "software-as-a-service." This Learning Room will help you catch up on the history of Ariba and give you an introduction to Ariba's different cloud offerings. By the time you leave, you should have a high-level understanding of the operation of Ariba's sourcing, contracting, and procurement offerings.
Ariba	Getting Started with Ariba Sourcing	Is your company using Ariba Sourcing? Or maybe you're in the process of configuring it right now? Have you heard about the power of Ariba Sourcing and want to learn more? Whichever situation you're in, if you want to get started with Ariba Sourcing, this learning room is for you. Learn about the basics of using Ariba Sourcing, creating and managing RFPs, see end-to-end demonstrations of core functionality, receive valuable tips and tricks, and more. Getting Started with Ariba Sourcing is a course that puts beginner-level learners on the path to Ariba Sourcing excellence.
Ariba	Getting Started with Ariba Procurement	If you want to get started with Ariba Procurement, this learning room is for you. Learn about the basics of Ariba's Procurement module, see end-to-end demonstrations of core functionality, receive valuable tips and tricks, and more. Getting Started with Ariba Procurement is a course that puts beginner-level learners on the path to Ariba Procurement excellence.
